Blue Island Riverfront Open Space Initiative: A Workshop to Collect Input and Ideas!

Please join us to learn about Blue Island's efforts to improve and increase its open space, parks, and waterfront access. We will learn about America's Great Outdoors, the Millennium Reserve, and our own efforts to participate in these programs. In addition, attendees will help to plan a brand new park!

- **National, Regional, and Local Open Space Initiatives**
- **Blue Island Millennium Reserve Projects**
- **Provide important input into community and regional plans**
- **Help plan a brand new riverside park!**
