September is National Library Card Sign-up Month! If you live in Blue Island and don't have a Library Card, come in any time, but especially in September to sign up for one! All you need is a photo ID with two proofs of address. They will celebrate all month long by offering Library Lotto! Every Friday, if the last 4 digits of your Blue Island Card match that week's Library Lotto Number, you win \$50! Unclaimed prizes roll over. They'll also be collecting cans or boxes of non-expired food in exchange for fine forgiveness. All donations will be given to local food pantries. And on Friday the 13th, it's your lucky day! It's "Forgive My Fines Friday." You can get up to \$10 of overdue fines waived! So, check out the Blue Island Public Library in September.

Honor Flight Chicago

Pat Weseloh is volunteering for Honor Flight Chicago. If you're not familiar with this group, they raise money or collect donated frequent flyer miles to fly WWII Veterans to Washington, DC to see the WWII Memorial there. We are losing 120 of these heroes a day and they are working to get as many of them to the Memorial as possible before they die. If you know anyone who would be eligible to take this Honor Flight, please contact Pat at [708.388.3732](tel:708.388.3732). She can help get the process started. If you would like to donate online, visit www.honorflightchicago.org or you may mail a check payable to Honor Flight Chicago to 938 West Montana St., Chicago, IL 60614.

Friday Night Bike Crew

Come on out and join the Friday Night Bike Crew! Check the website for weekly updates! Summer time means special rides and events, like biking to the Memorial Park Pool! Meet Friday night at the Kiddie Korral at the 121st Street entrance at 4:30 pm. Look for the bright orange safety cones in the street. This is a free, fun bike ride for any kid in Blue Island. They ride from 3-10 miles, depending on the weather and the age of the kids on any given ride. Children under the age of 8 must have an adult along for the ride, and everyone needs to fill out some short paperwork before their first ride. Riders need a safe bicycle with functioning brakes, a helmet, and a white front light. White headlights are required by IL law, and can be as simple as a small flashlight attached with a couple of rubber bands (small LED flashlights cost about \$4-5 at the hardware store or Walgreens). There are a limited number of loaner helmets available. For more information, go to www.bibc.us or contact Jane Healy at 388-8662 or repto@aol.com.

Blue Island Public Works accepting e-waste items!

Melissa Fuller from the City of Blue Island Public Works Department has sent this updated information about e-waste recycling.

Blue Island Public Works is proud to announce that we have partnered up with the Vet Tech Project for E-waste recycling! E-waste is considered as ANYTHING that has a cord attached. From computers and radios to hair dryers and old chargers! We now also accept old household batteries, DVDs, & CDs. All E-waste can either be dropped off at the Public Works Facility at 3153 Wireton Rd, or call Melissa for a special pick up. There is no charge for collection, and all items go to a GREAT cause. The Vet Tech Project provides technology education to American Military Veterans seeking to develop job skills in this field. The project recycles the unwanted E-waste by rehabbing them for charity. For more info or questions on any other recycling, please call Melissa at Public Works [708-597-8604](tel:708-597-8604), Monday through Friday, 7am to 3:30pm.

Do you have other things to recycle, old paint or other items? Melissa's MOST FAVORITE recycling website in the world is www.Earth911.com. When you go there, click on the "find a recycling center" tab then you can enter any type of material you want to recycle, type in your zip code and it will give you a list of the nearest places to accept them. How cool is that??

If you are looking for a place to bring all of your paper, find the District 130 paper dumpsters. They are all over!

Properly dispose of old paint and stain

Diane Jacobson discovered that Naperville runs a state funded program to recycle many things such as polyurethane, oil paints, pool chemicals, car oils, transmission fluids, garden chemicals such as Round-Up and even unused prescription medicines and unused vitamins. Their program is on Saturdays and Sundays from 9 until 2; they have all of the information to tell you their location, what they will and won't accept, etc. on their website. People can check it out by googling City of Naperville Household Hazardous Waste. They will ask for a driver's license to prove that you live in Cook County. I was able to clean my garage of all of the things that I didn't want to put in the landfills; I am trying to find greener alternatives such as vinegar for killing weeds between bricks, in asphalt cracks, etc. You could get a group together to go out there and make a fun day of it. They unload your car. They do not take Latex Paint. Calumet Paint recommends putting kitty litter in the can to absorb the paint and then just toss it into your regular garbage can. The Naperville site is one of only two in the state that accept these items on a regular basis. Occasionally, towns will offer it once or twice a year, but you never know when that will be. Thanks for the tip, Diane!
