Hello Everyone,

Hope you all survived the second polar blast in less than a month. We're supposed to get more snow now that it has warmed up. Amazing how balmy 27 feels after the below 0 cold!

I wasn't able to make the Cal-Sag Waterfront update, but I heard there was a good turnout and some exciting things presented. Thanks to everyone who have worked really hard to put this all together. Here's hoping a beautiful waterfront through the center of town is not too far down the road!

Donors Choose is a cool kind of website where not for profits and/or schools can go and request donations for some project. There's one for Eisenhower High School here: <http://www.donorschoose.org/project/making-great-decisions-staying-atod-fr/1092195/>. There's only TWO days left (Friday) and they have \$319 to go. Help them with their Operation Snowball retreat. Read about it and donate whatever you can. Every little bit helps. Thanks!

It looks like a lot of people have been voting for Blue Island's own Georgie Partin III photo on the Ranger Rick Photo Contest! He's really pulled ahead! He's now 500 votes ahead. Keep voting! You can vote once a day. Please go here to vote: <http://www.nwf.org/Kids/Ranger-Rick/Photo-Contest/Vote.aspx>. Click and vote for George P.'s Tiger Pic. It literally takes 1 minute. Let's keep voting and getting him further ahead! You can vote until the end of January. This is great. Thanks for supporting a budding young photographer.

A reminder: the Blue Island Police Department now has a Facebook page. Go to: <https://www.facebook.com/BlueIslandPoliceDepartment> and like them! You'll find out about things going on around town and other Police Department goings on.

Also, remember the Ashland Ave. Bridge over the Cal-Sag has been closed by IDOT due to structural damage caused by an accident. It is estimated it will be closed for approximately three months for repairs (by IDOT). Once the repairs are done, there should be no restrictions to vehicular or truck traffic. They are rerouting traffic to Halsted St.

This weekend, there's a Sweet Adelines Open House, the last days of the Lost Treasure's Sale, and Men's Wiffleball, Softball Clinics and Bitty Basketball continue.

Order them now: Girl Scout Cookies are for sale through the local Girl Scout Troop. They are selling everyone's favorite cookies for \$4 per box. They have Thin Mints, Trefoils, Samoas, Do-Si-Dos (Peanut Butter Sandwich), Savannah Smiles (Lemon), Tag-a-longs (Peanut Butter Patties), Dulce-de-leche, and Thank-U-Berry Much. To order, you can email Cathy Haskell at ckozak9309@aol.com or call her at [708.371.0807](tel:708.371.0807). The cookies will arrive on February 8th.

Please remember to send me any and all events you know that are happening in town or involve people from town. I'm always happy to include them.

Blue Island Public Works accepting e-waste items!

Melissa Fuller from the City of Blue Island Public Works Department has sent this updated information about e-waste recycling.

Blue Island Public Works is proud to announce that we have partnered up with the Vet Tech Project for E-waste recycling! E-waste is considered as ANYTHING that has a cord attached. From computers and radios to hair dryers and old chargers! We now also accept old household batteries, DVDs, & CDs. All E-waste can either be dropped off at the Public Works Facility at 3153 Wireton Rd, or call Melissa for a special pick up. There is no charge for collection, and all items go to a GREAT cause. The Vet Tech Project provides technology education to American Military Veterans seeking to develop job skills in this field. The project recycles the unwanted E-waste by rehabbing them for charity. For more info or questions on any other recycling, please call Melissa at Public Works [708-597-8604](tel:708-597-8604), Monday through Friday, 7am to 3:30pm.

Do you have other things to recycle, old paint or other items? Melissa's MOST FAVORITE recycling website in the world is www.Earth911.com. When you go there, click on the "find a recycling center" tab then you can enter any type of material you want to recycle, type in your zip code and it will give you a list of the nearest places to accept them. How cool is that??

If you are looking for a place to bring all of your paper, find the District 130 paper dumpsters. They are all over!

Spend it in Blue Island!

We just would like to ask people to remember to keep Blue Island small merchants, stores, vendors, restaurants and contractors in mind. If you are planning on doing home repairs, look for a Blue Island contractor. Having a party, look for food from a Blue Island business. Want to buy a special gift for yourself, consider a local store. Go out to eat in Blue Island. Go to your favorite store or restaurant or take a chance and visit a new one! Go bar hopping or dancing into the evening afterwards--they serve soft drinks, too and many even serve some pretty good food! Make a donation to your favorite Blue Island charity. Money spent in town comes back in sales tax revenue, etc. Keep your money in Blue Island as much as possible!

Seniors Ride Free!

If you are a Senior in town, the Calumet Township Senior Center has a free ride program! They will pick you up at your door and take you anywhere in Blue Island, Calumet Park and Riverdale. Properly dispose of old paint and stain

Diane Jacobson discovered that Naperville runs a state funded program to recycle many things such as polyurethane, oil paints, pool chemicals, car oils, transmission fluids, garden chemicals such as Round-Up and even unused prescription medicines and unused vitamins. Their program is on Saturdays and Sundays from 9 until 2; they have all of the information to tell you their location, what they will and won't accept, etc. on their website. People can check it out by googling City of Naperville Household Hazardous Waste. They will ask for a driver's license to prove that you live in Cook County. I was able to clean my garage of all of the things that I didn't want to put in the landfills; I am trying to find greener alternatives such as vinegar for killing weeds between bricks, in asphalt cracks, etc. You could get a group together to go out there and make a fun day of it. They unload your car. They do not take Latex Paint. Calumet Paint recommends putting kitty litter in the can to absorb the paint and then just toss it into your regular garbage can. The Naperville site is one of only two in the state that accept these items on a regular basis. Occasionally, towns will offer it once or twice a year, but you never know when that will be. Thanks for the tip, Diane!

With the relationship of Blue Island and many of the founding families, this could be a great starting point for researching your family tree! Home address, funeral information, marriage, birth dates, date of death and next of kin information are often discovered in these searches. Just contact the First Lutheran Cemetery office, at [708-388-3377](tel:708-388-3377), stop by the office, at 4135 W.127th St. or you can find them on Facebook.

The Blue Island Historical Society

Please consider a donation the Historical Society. They really do a wonderful job preserving the history of Blue Island. Any amount will be helpful. If you are not a member, please consider joining. You can join for life for a whole family very reasonably.

I am trying to build an email list of people who are interested in Blue Island events and happenings both in town as well as things involving Blue Islanders out of town. If you have something you would like me to include in my emails, please email me at believeinblueisland@gmail.com. If you would like to be removed from my email list, please reply to me and ask to be removed. I will not flood your mailbox with emails—I try to keep it to 1 per week. Feel free to forward this on to whomever you would like. If you would like to join my email list, please send an email to: believeinblueisland@gmail.com and I will add you to my list!
