This IGA sets forth the understanding agreed to by the Parties regarding their roles and responsibilities concerning the installation and maintenance of Interagency Signage.

**II. RTA OBLIGATIONS**

**a. Signs and Locations**

The RTA will coordinate with the City on the content, size, and location of all signs.

Prior to commencing work, the RTA and/or its contractors will provide the City the necessary right-of-entry forms, insurance certificates, and any other required documentation. The RTA (or its contractor(s)) insurance shall name the City as a third party insured.

e. Replacement of Signage

The RTA personnel and/or its contractors will be responsible for replacing outdated Interagency Signage due to schedule changes, additions/deletions of routes, and/or route modifications. The RTA will bear the costs of maintaining all Interagency Signage and associated hardware at the locations identified in Exhibit A.

f. Advance Notice of Maintenance Projects

The RTA will provide advance notice to the City of the dates and times for replacing outdated information products. The RTA will also notify and coordinate with the City regarding any maintenance work that may be required of the Interagency Signage and the associated hardware.

In connection with the execution of this IGA, RTA and City each warrant and represent that it is legally authorized to execute and perform or cause to be performed this IGA under the terms and conditions stated herein.

b. Non Liability of Public Officials

No official, employee or agent of RTA or City will be charged personally by the other party with any liability or expense of defense or be held personally liable under any term or provision of this IGA or because of RTA's or City's execution or attempted execution or because of any breach hereof.

i. Assignment

Neither RTA nor City will assign, delegate or otherwise transfer all or any part of their rights or obligations under this IGA, or any part hereof, unless as approved in writing by the other party. The absence of written consent will void the attempted assignment, delegation or transfer and will render it of no effect.

j. Force Majeure

Neither RTA nor City will be obligated to perform any of their obligations hereunder if prevented from doing so by reasons outside of their reasonable control, including, but not limited to, events of force majeure.
