Application for Certificate of Appropriateness

This is a request for the Blue Island Historic Preservation Commission to issue a Certificate of Appropriateness in regard to the below listed proposed alteration, demolition, new construction or reconstruction of the following property which has been designated a landmark or is situated within a Historic District.

1. Owner(s):

Last Name First Name

Address City State Zip

Home Phone Work Phone

2. If the person completing this form is not the owner, please complete the following:

Last Name First Name

Address City State Zip

Home Phone Work Phone

3. Please explain your interest in the property (owner, lease-holder, renter, etc):

4. What is the present use of the site and building(s)—include the names of any businesses:

5. Will this use be changed or affected by the proposed work?

6. Why are you doing this construction?

7. Please furnish detailed information describing the renovation for which a Certificate of Appropriateness is being applied. Elevation drawings are required in order to show the appearance of the property after the proposed project has been completed. Colors of exterior painting must be approved before work is begun, appropriate historic color combination paint chips are available from the Commission or at your local paint store. Examples of all materials to be used must also be described completely or presented to the Commission before approval may be given.

Be sure to give a complete description of the work to be done—the building permit granted for this project is valid only for work that is specifically described in the Certificate of Appropriateness and becomes invalid if other items are later included that have not been approved here. This completed form must be submitted to and approved by the Blue Island Historic Preservation Commission before ANY work may be started or any permits are issued.

Signature of owner or applicant
