

E-Recycling Event

Recycle your used computers and electronics!

9:00AM – 1:00PM

SATURDAY, OCTOBER 4, 2008

The City of Blue Island will host an Electronic (E)-Recycling Event sponsored by South Suburban Mayors and Managers (SSMMA).

The E-Recycling event will give South Suburban Communities the opportunity to recycle outdated or unusable electronic items. See reverse side for accepted items. *Important: No hazardous materials or liquids will be accepted.*

SSMMA has obtained the services of Vintage Tech Recyclers, a local company committed to safely and securely recycling outdated electronics, while keeping hazardous materials out of our landfills. Vintage Tech Recyclers is able to keep costs at little or nothing thanks to several IDCEO grants they have received.

Drop Off Location for Event:

City of Blue Island - Public Works Facility
3153 Wireton Rd (Vermont Street)

For more information call Rita at 708-388-5735.

Blue Island Goes Green: Promoting and encouraging environmental responsibility in our community.
