Describe work to be done:

**Permit Conditions:** No work shall be started until all required permits have been issued. The applicants hereby certify to the correctness of the above information and agree that no occupancy will be permitted without first securing final inspections and certificate of occupancy. Applicants further agree to comply with the provisions of this application and the building and zoning ordinances of the City of Blue Island.

This permit is issued on the express condition that where there is no city sidewalk at the location shown above one shall be laid by the owner, at the owner's expense. If the existing sidewalk is in bad repair it shall be relaid at the owner's expense.
