

RESOLUTION 17/12/19

NOTICE of PUBLIC HEARING

Preliminary Environmental Impacts Determination (PEID)

Notice is hereby given to all residents, property owners, and water system users of the City of Blue Island, Illinois that a Public Hearing will be held at the City Hall East Annex on October 22, 2019 at 6:30pm. Under project L17-5051 the City proposes the replacement of 5,419 existing water meters, the rehabilitation of the Thornton 1,000,000-gallon elevated water storage tank, the construction of 720 feet of 8-inch water main, and the replacement of 22 lead service lines. Project L17-5713 consists of the replacement of approximately 236 lead service lines. This Public Notice is to provide an opportunity for the public to provide comments on the City's proposed construction. The Project Summary and Preliminary Environmental Impacts Determination document provided by the Illinois Environmental Protection Agency (Illinois EPA) is available for review at 2434 Vermont Street, Blue Island, Illinois 60406. The document contains information including the project costs, location, user rate impacts, and potential environmental impacts.

This Notice is to provide access to the documents and to satisfy Section 662.530 of the Illinois Procedures for Issuing Loans from the Public Water Supply Program from the Illinois EPA. These documents will be on file at City Hall for 10 days after the Public Hearing to allow for public comment. Written comments can be submitted to the City or directly to Bill Jankousky at the Illinois EPA, Infrastructure Financial Assistance Section, P.O. Box 19276, Springfield, Illinois 62794-9276.
