Finance Committee – Ald. Rita, Chairman

Finance Committee Meeting
Minutes 6-3-14

The meeting was called to order Tuesday, June 3, 2014 at 6:32 p.m. in the East Annex of City Hall, 2434 Vermont Street, Blue Island, Illinois with proper public notice given. Roll call taken of the committee with only Alderman Nancy Thompson and myself being present. Alderman Kevin Donahue, Alderman Tom Hawley and Alderman Chrissy Buckner absent. Also present were Finance Director Matt Anastasia, Director Robert Haulf, Director John Rita, Jr., Mr. Allen Stevo and Mr. Clay Putnam of ServiScape for the golf course landscaping contract.

Regular Meeting – June 10, 2014

The committee did not have a quorum so no action was taken.

Since Mr. Putnam drove in from Michigan City, Indiana for the finance committee meeting we went forward and discussed the golf course.

SUMMARY OF DISCUSSION:

Many questions that Alderman Nancy Thompson and the rest of the committee previously asked were answered.

SeriviScape has been the golf course maintenance provider since 1997. Since supplies are purchased in bulk there is a savings passed on to Blue Island plus there is a zero mark up. They make their money through the management fee. In season, they provide ten employees and low season December through March two to three employees. During the low season, employees are working on equipment and general routine tasks to prepare for the golf season. They also do the payroll and provide liability insurance for their employees. There has been no budget increases since 2005. Blue Island has their own equipment and because we allow Alsip to use the equipment, we receive a credit. One-third is not billed to Blue Island which is approximately \$33,000 back to Blue Island. The reason March 2014 bill was so high was due to 3 pay periods within that month. The employees salaries are above minimum wage and they are from Blue Island and the surrounding area.

The meeting was adjourned at at 7:48 p.m.

The next Finance Committee meeting will be held on Tuesday, June 17, 2014 at 6:30 p.m. in the East Annex of City Hall, Blue Island, Illinois.

Respectfully submitted by,
Alderman Nancy Rita, Chair

Dear Marisol,

Reverend Peter Contreras is requesting permission from the city to partially block off Vine St. and John St. for a Contreras

Family Reunion. On Vine St. the first barricade would be set up just south of the alley. A second barricade would be set up on

John St. even with the edge of the church property. Also, the MWRD Field will be used for games and activities.

The reunion is expected to draw about 120-130 people. It will be held on Saturday, June 28, 2014, from 11:00am - 7:00pm at

Bethel Pentecostal Church on 2726 Broadway, Blue Island.

Thank you so much for your help in this matter. Please feel free to contact me if there is any questions.

Dear Mayor Vargas,

For 60 years fire fighters throughout the state of Illinois and across America have joined together with their boots in hand collecting money for MDA. They are the single largest and strongest sponsor of MDA on a national level and year in and year out, are the most dedicated group of individuals, raising millions of dollars in the fight against neuromuscular diseases. In 2013, fire fighters across America raised over \$26 million to aid in the fight against neuromuscular disease.

As you may recall, the Blue Island Fire Firefighters have been wonderful supporters of the Muscular Dystrophy Association in the past. We truly appreciated your support and the opportunity to recognize the department within the community. Once again, the firefighters have generously offered to collect funds for MDA. I would like to request that permission be granted for the Blue Island Fire Fighters to continue to hold a "Fill the Boot" Tag Day to benefit the Muscular Dystrophy Association on June 27, July 11, and August 15 with a rain date of August 22 exclusively at the intersections of 127th and Kedzie, 119th and Western, and Vermont and Western.

The support received from the Blue Island Fire Department, provides help and hope for more than 350 families in the South Cook County living with one of 43 neuromuscular diseases that strike both children and adults. All of the funds raised through the MDA Fill the Boot Program are used locally to fund clinics, summer camp, research grants and durable medical equipment. On behalf of the hundreds of local families served by MDA, thank you in advance for your continued support and consideration of this traditional "Fill the Boot" program. Please contact me at MDA (630) 598-0700 to discuss any other questions you may have.

Sincerely,
