Think outside the Loop. The City of Blue Island is located only fifteen (15) miles south of Chicago’s Loop via Interstate 57. Blue Island has a rich history having been established in 1835. The City of Blue Island is seeking a PART-TIME HEALTH INSPECTOR for the Community Development Department’s Health Office.

The Health Inspector responsibilities include the examination of public documents, inspection of public establishments, and verification that public establishments are in compliance with public health standards pertaining to federal, state, county, and local regulations.

Duties include both primary and secondary (follow-up) inspections of public establishments to ensure compliance with sanitary codes. The Health Inspector will communicate the violations to the business owner or manager, and ensure that the violations are corrected within an appropriate amount of time.

The Health Inspector may be expected to testify at a public hearing regarding the noted violations utilizing their inspection reports. The Health Inspector will respond to health questions, prepare detailed reports, and maintain inspection records on file. Additional Health Inspector duties may include evaluating data pertaining to the inspection, and maintaining a correspondence with the organization concerning permits and violations. Finally, the Health Inspector will generate a monthly health report for the Community Development Committee to review.

The City is looking to hire a PART-TIME HEALTH INSPECTOR whose background and experiences can assist the City in the day-to-day operations. The ideal candidate must have the following:

- Licensed Environmental Health Practitioner (LEHP)
- State of Illinois "Managers Food & Sanitation License"
- A minimum of five (5) years in the food industry
- A minimum of five (5) years of Food Inspection experience
- Excellent communication skills and the ability to deal with the public
- A four-year college degree, preferably in the sciences, especially in public health
- The ability to work with other departments within the municipality
- Be a great public speaker, and have good organizational and writing skills
