

Blue Island Waterfront Planning Session

November 5, 2013
6:00pm

Memorial Park Fieldhouse
12804 Highland Avenue
Blue Island, IL

Blue Island Waterfront

Please join Blue Island City officials and a team of consultants to plan and activate the City's waterfront along the Cal-Sag Channel. Earlier this year the City leased 130 acres of waterfront for public access. This is the first time in the City's history it will be able to utilize the waterway for public use and we want your input!

For more information, please contact
Eric Neagu at 773.403.5137
