

St. Benedict School is a Catholic Elementary School, dedicated to the education and formation of students in Grades Pre-Kindergarten to Grade 8. For over 150 years, St. Benedict School has been committed to providing superior education to both Catholic and non-Catholic students in the diverse community of Blue Island and surrounding areas.

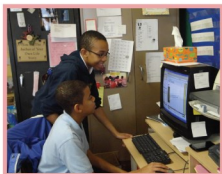

The St. Benedict Gala for Education will support scholarships for our low- and moderate-income students and upgrades to our school computers and other technology.

Scholarships

At St. Benedict School, we believe all students deserve a chance to attend our school and receive an outstanding education grounded in Christian values, regardless of their income level. Our scholarship program is vital; without financial assistance, many students could not attend St. Benedict.

Technology

Technology is a powerful tool that can help students succeed both in school and in life. Technology-rich classrooms have both an immediate and long-term impact on student learning. As part of St. Benedict's commitment to academic excellence, we aim to provide students with the most up-to-date technology possible.

Mission Statement

As a community founded in the Catholic faith, St. Benedict School seeks to inspire its students and encourage them to live according to the Gospel of Jesus Christ. St. Benedict School accepts and encourages the faith practices of non-Catholic families. We accept the individual uniqueness of each student and challenge students to grow spiritually, cognitively, emotionally, and socially in a culturally diverse setting. We try to discover strengths and weaknesses so each child will develop to his or her full potential as a contributing member of family, church, and community.

St. Benedict Gala FOR Education

Saturday, February 14, 2015
5:30 - 11:30 pm

RIVIERA COUNTRY CLUB
8801 West 143rd Street | Orland Park, IL

*Together We Work
for the Children We Love*

Dear Friends,

We cordially invite you to join us at our St. Benedict Gala for Education on Saturday, February 14, 2015. This event will feature a formal dinner, fabulous entertainment, and exclusive prizes, and will raise funds to support scholarships and update technology at our school.

Catholic schools like St. Benedict offer many benefits to students, including academic excellence, a safe and supportive environment, and an emphasis on Christian values and community service. Catholic school students score significantly above national averages and are more likely to graduate high school and finish college. But the cost of tuition can prevent low-income children from enrolling at St. Benedict. We believe all students deserve a chance to attend St. Benedict School regardless of their income level. Our scholarship program is vital in assisting many students who otherwise could not attend.

In addition, up-to-date technology is essential to providing a superior education and helping our students be competitive in today's world. In order to ensure we are providing our students with the best opportunities possible, St. Benedict School plans to upgrade our technology.

We truly hope you will support us by joining us for this St. Benedict School event - as a sponsor, attendee, and/or donor. May God bless you for your support.

See you on February 14, 2015!

Susan Rys
