**Ordinance Authorizing Disposition of Certain Personal Property Owned by the City of Blue  
Island**

**I. Introduction/Purpose**

The City has old vehicles and equipment that is now obsolete and is looking to dispose of those assets.

**II. Discussion/Highlights**

Because the assets are on the books for the City, we must get formal approval to dispose of these assets. The assets will be sold through a bid process, auction, or scrapped.

**III. Conclusion/Recommendation**

The recommendation is to approve this ordinance to give the City the ability to try to retrieve some type of funds for these obsolete assets which have no useful life left. This would be for some old police squads and one of the old ambulances which is beyond repair to have as a back up ambulance.
