Resolution for Improvement by Municipality Under the Illinois Highway Code

I. **Introduction/Purpose**

In order to expend MFT Funds, a section number must be opened with the State of Illinois where they authorize the expenditure for MFT.

II. **Discussion/Highlights**

There were three projects found by our Engineers, Robinson Engineering that had some documents missing for MFT section numbers. There are 3 resolutions attached that, once passed, will be used to clean up some MFT section numbers and close them out.

III. **Conclusion/Recommendation**

I recommend the passage of these 3 resolutions to clean up MFT section numbers which will help correct an unfunded liability with the State for MFT funds.
