**Request for Installation of Handicapped Parking Signage  
2033 High St.**

**I. Introduction/Purpose**

Resident has requested the installation of handicapped parking signage in front of the parkway of his residence.

**II. Discussion/Highlights**

A request for installation of handicapped signage has been initiated by Roberto Soccorso residing at 2033 High Street. The property is a single family home with no garage. Mr. Soccorso suffers from coronary artery disease which severely limits his ability to walk.

**III. Conclusion/Recommendation**

An interview was conducted with Mr. Soccorso who stated he's restricted to walking short distances as a result of his medical condition. Based on the handicapped parking sign checklist there is no driveway, garage or fire hydrant in front of the residence, qualifying Mr. Soccorso's request.
