Metra Expands Metra Electric Schedule May 10

Adds 4 weekday and 4 weekend trains

CHICAGO (April 28, 2021) – Fulfilling its promise to reimagine and restore service as vaccination numbers increase and workers return to job sites, Metra is adding weekday and weekend trains to the Metra Electric Line beginning Monday, May 10.

Metra is adding four trains to Electric Line’s weekday schedule, four trains to the weekend schedule, and adjusting the schedules and/or stopping patterns of seven additional trains. These changes are being driven by ridership patterns and to add reverse commute options for workers at the new Amazon facility in University Park. On weekends, Metra will also be providing additional express trains to shorten trip times to and from the suburbs.

“Our discussions with Amazon to create additional reverse commute options are just one of the many initiatives we are working on to ensure that Metra service post-pandemic is responsive to the region’s travel needs,” said Metra CEO/Executive Director Jim Derwinski. “Providing access to employment centers is a critical service, and we plan to continue to pursue these opportunities to make Metra the best option for our region’s workers and employers.”
