FINDINGS OF FACT

**CITY OF BLUE ISLAND ZONING BOARD OF APPEALS (ZBA)
PUBLIC HEARING – SEPTEMBER 1, 2022**

Applicant: City of Blue Island, 13051 Greenwood Avenue, Blue Island, IL 60406

On September 1, 2022, the Planning and Zoning Board of Appeals (PZBA) voted (5-0) to adopt Findings of Fact recommending that the City Council approve a text amendment to the City of Blue Island Zoning Ordinance, with one modification. The PZBA recommends approval of amendments to Section 166.025(E) regarding regulations for adult-use cannabis establishments. However, the PZBA recommends not amending Section 166.023(E)(2) regarding special uses in District I-1.

The Blue Island Zoning Ordinance prescribes the requirements of the Findings of Fact:

Section 166.094(F)(2):

The Planning and Zoning Board of Appeals shall not recommend the adoption of a proposed amendment unless it finds that the adoption of such amendment is in the public interest and is not solely for the interest of the applicant.

In accordance with the foregoing requirements, the Planning and Zoning Board of Appeals finds as follows:

The proposed amendment to Section 166.025(E) will increase the possibility of non-dispensary adult-use cannabis business establishments locating in Blue Island by removing most location restrictions to mirror the Cannabis Regulation and Tax Act (410 ILCS 705). The removal of these barriers will not threaten the health, safety, or welfare of citizens, as the adult-use cannabis business establishments that would benefit from these changes would be highly regulated by the State of Illinois and would involve no retail sales. More business in the City, though, brings more revenue, which will help provide necessary City services. The proposed amendment will also reiterate the statutory prohibitions on advertising cannabis products. This amendment is in the best interest of the public as well as the City.

The amendment to Section 166.023(E)(2) of the Zoning Ordinance was proposed to ensure that the I-1 and I-2 Industrial Districts would not be considered "residential districts" merely because residences are allowed as a special use. In the absence of caselaw supporting that interpretation, the PZBA does not want to cause an unintentional negative consequence on existing property owners by making their residential use non-conforming. The PZBA does not consider the I-1 and I-2 Districts to be residential districts, which makes that amendment unnecessary.
