**AN ORDINANCE OF THE CITY OF BLUE ISLAND,
COOK COUNTY, ILLINOIS, AMENDING TITLE X (“PUBLIC WORKS”), CHAPTER
50 (“GARBAGE”) AND TITLE III (“ADMINISTRATION”), CHAPTER 39 (“FEE AND
FINE SCHEDULE”) OF THE CITY CODE TO UPDATE THE SAME**

WHEREAS, the City of Blue Island, Cook County, Illinois (the “*City*”) is a duly organized and existing City created under the provisions of the laws of the State of Illinois and operating under the provisions of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, with full powers to enact ordinances and adopt resolutions for the benefits of the residents of the City; and

WHEREAS, the Mayor and City Aldermen may from time to time amend ordinances of the City when it is determined to be in the best interests of the health, safety and welfare of the City and its residents; and

WHEREAS, the Mayor and City Alderman have reviewed the current ordinance and have determined that it is necessary to amend the City Code to bring it up-to-date and account for changes in garbage removal within the City

WHEREAS, the Mayor and City Aldermen find that the following amendments to Title X, Chapter 50 of City Code, as set forth herein, are in the best interests of the health, safety and welfare of the City and its residents.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and City Aldermen of the City of Blue Island, Cook County, Illinois as follows:

Section 1. That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

Section 2. That the Mayor and City Aldermen find and determine that the adoption of this

Ordinance is in the best interests of the City as well as in the best interests of the public.

Section 3. That Chapter 50 (“*Garbage*”) of Title V (“*Public Works*”) is hereby amended by striking language and adding underlined language as follows:

GARBAGE COLLECTION

§ 50.01 DEFINITIONS.

For the purpose of this subchapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning.

~~ASHES. All solid residue resulting from the combustion of coal, coke, wood or other substances, including soot, cinders, slag and charcoal.~~

A. “Refuse” means:

(1) All household and kitchen wastes, as discarded food or food residue and paper necessarily used for wrapping, aluminum and tin cans, books, newspapers, boxes and cartons, providing all such materials are of a size sufficiently small to permit being placed in the fixed volume collection cart or in a conventional waste container or plastic bag,

(2) Rubbish -All waste wood, wood chips, shavings, sawdust, printed paper, paper, pasteboard, rags, straw, used and discarded mattresses, used and discarded clothing, used and discarded shoes boots, combustible waste pulp and other products such as are used for packaging or wrapping crockery and glass, ashes cinders, floor sweepings, glass, mineral or metallic substances, and any and all other waste materials not included in the definition of excluded waste,

(3) Small Dead Animals -Animals or portions thereof less than ten (10 lbs) in weight that have expired from any cause, except those slaughtered or killed for human waste,

(4) Solid Waste -Useless, unwanted or discarded materials with insufficient liquid content to be free-flowing, that result from domestic, industrial, commercial, agricultural, governmental and community operations which require proper storage, collection, transportation and disposal to prevent environmental pollution detrimental to public health, safety and welfare. Solid waste does not include sewage, earth or material used to fill land in accordance with construction codes, mining residues, slag, dissolved or suspended solids in industrial waste water effluents which are not acceptable for disposal in sanitary sewage treatment system or any material included in the definition of excluded waste,

(5) Waste Material-Waste material is all non-hazardous solid waste (including garbage, rubbish, yard waste and recyclable materials generated at residential units that is not excluded by this Contract. Waste material shall not include any excluded waste,

(6) Bulky Waste - Household items of such size as to render them unsuitable for deposit in a refuse container, but which one person can lift into a refuse truck, such as furniture, storm doors and windows, carpet, drywall and certain wood, and not exceed 50lbs.” ‘White goods’ are typically defined as: All discarded refrigerators, ranges, water heaters, freezers, air conditioners,

§ 50.02 RECEPTACLES; SPECIFICATIONS.

(A) The owner, or his or her agent, or the occupant of every house, building, store or apartment where persons live or conduct business of any kind, or where food of any kind is handled, prepared or consumed, shall provide for the house, building, store or apartment and at all times maintain in good order and repair separate receptacles for refuse, ashes, recyclable materials, and yard waste. ~~garbage and waste and for ashes and non-combustible materials.~~ Each house, building or store, other than an apartment building, shall have one or more ~~one~~ receptacles for refuse (the “Refuse Bin”) supplied by the garbage disposal service provider and one receptacle for recyclable materials (the “Recycle Bin”) supplied by the garbage disposal service provider. ~~Should a Refuse Bin or Recycle Bin need replacement, the resident must inform the Public Works Department of the same.~~ Should a Refuse Bin or Recycle Bin need replacement, the resident must inform the Public Works Department of the same. ~~garbage and waste and one or more for ashes and non-combustible materials of an aggregate capacity sufficient to contain accumulations for at least seven days.~~

(B) Each apartment or dwelling unit in an ~~apartment building or multi-family dwelling~~ Residential Location shall have one Refuse Bin and one Recycle Bin ~~of each such receptacles~~ for each apartment or dwelling unit of the building.

(C) Additional volumes of refuse may be placed in a tightly covered metal or other non-corrodible refuse material collection container which is water-tight and does not exceed fifty (50) pounds total weight when filled. Metal or other non-corrodible material containers shall have secure handles for convenient lifting and carrying.

(D) Residents may also use “Kraft” or other paper disposal bags designed for the collection and disposal of yard waste materials or conventional waste containers as long as the containers are clearly marked as containing “Yard Waste Material Only” and are not co-mingled with refuse, recyclables or other waste material and do not exceed fifty (50) pounds in weight. No other forms of waste may be placed in the “YARD WASTE ONLY” containers.

~~Receptacles for garbage, ashes and waste shall be water tight and made of metal, rubber or plastic with close fitted covers made of the same materials. Each receptacle shall not exceed 40 gallons in capacity and a sufficient number shall be provided to contain at least a seven-day accumulation of garbage, ashes and waste for the premises in question.~~

~~(D)~~ (E) Refuse containers and garbage containers shall not be placed upon city streets or sidewalks or any city property for pick-up prior to 6:00 p.m. on the evening before the assigned pick-up day for the particular area of the city and all such aforementioned refuse containers shall be removed and placed back upon private property by 10:00 p.m. the day of the pick-up assignment. Further, after garbage pick-up, it shall be the duty of every owner or occupant of any premises within the city to place such receptacles or cause them to be stored on private property out of the view of a person facing the front of said premises.

~~—(E)~~ (F) All multi-family dwellings, apartment buildings and non-residential properties shall have adequate dumpsters or receptacles to completely contain and secure any garbage, waste or recyclable materials in accordance with this section. At no time shall such receptacles overflow with garbage, waste or recyclable materials, or otherwise allow the same to be blown or scattered by any means. The owners of such properties shall be responsible for ensuring the prompt removal of such garbage, waste or recyclable materials to comply with the provisions of this chapter.

§ 50.03 PREPARATION OF GARBAGE FOR COLLECTION.

Each occupant, tenant or person in possession of any house, building, store or apartment shall cause all refuse and recyclable materials ~~garbage, ashes and waste~~ brought into or produced therein to be deposited in appropriate receptacles ~~as detailed in Section 50.02 as provided by the city or waste management company responsible~~ for collecting the same.

(A) All ~~garbage, waste or~~ refuse or recyclable materials shall be securely contained in the appropriate receptacles ~~or otherwise wrapped in a manner~~ to prevent scattering or blowing by the wind and to prevent access by animals or other vermin.

(B) Trimmings from trees, plants, weeds, grass and similar waste must be placed into Kraft bags or receptacles labeled as “Yard Waste Only” as detailed in Section 50.02 and tightly secured in a manner to prevent scattering or blowing by the wind, which cannot conveniently be placed in the receptacle or receptacles referred to in § 50.02 of this chapter, and all trees, large branches, logs and similar bulky articles may be collected and disposed of by the city upon request, but only if such collection will, in the judgment of the Superintendent, not unduly interfere with the normal routine of the City Garbage Collection Department. In the event such articles, in the judgment of

~~the Department of Municipal Services, are too large, too bulky or so difficult to handle that the collection and disposal thereof would constitute an unreasonable burden on or interference with the normal routine of the operation of the city's garbage and waste collection system, such articles shall be disposed of by and shall be at the cost and expense of the owner or occupant of the premises where the same are located.~~

(C) Two Bulky Items, under 50 lbs in weight, may be placed outside next to the Refuse and Recycle Bins for pick up by the garbage disposal service provider. If a resident has more than 2 items of Bulky Waste that can be fit into a 2 cubic yard dumpster, the resident can contact the Public Works Department for pick up by appointment, if in the judgment of the Superintendent of Public Works, it does not unduly interfere with the operation of the Public Works Department. In order to make such request, a resident must call the Department of Public Works and place a work order for the pickup. Once the work order is approved, the resident will be informed of the date of pick up. Only on the date of pick-up by the City can the resident place the bulky item outside of their home. the normal routine of the City Garbage Collection Department. In the event the requested removal involves articles, that in the judgment of the Public Works Department, are too large, too bulky or so difficult to handle that the collection and disposal thereof would constitute an unreasonable burden on or interference with the normal routine of the operation of the Public Works Department, such articles shall be disposed of by and shall be at the cost and expense of the owner or occupant of the premises where the same are located.

~~—(C) In accordance with the city's desire to facilitate and encourage recycling by all residents, receptacles shall be provided for said purpose.~~

(D) All commercial properties and multiple dwelling properties shall comply with the requirements of this section in addition to the following.

(1) All multiple dwelling properties with four or more units not serviced under the residential unit collection process must provide on-site garbage disposal and recycling services.

(2) All dumpsters or large garbage containers shall be of sufficient size to securely contain all ~~garbage or waste~~ refuse and shall not remain overfilled or overflowing at any time.

(3) All dumpsters or large garbage containers provided for such properties shall be maintained in a manner which eliminates the dissipation of foul odors.

(4) All commercial or restaurant establishments shall obtain appropriate containers of sufficient size to dispose of grease and eliminate dissipation of foul odors.

§ 50.04 SPECIAL SERVICE.

(A) No garbage, ashes or waste refuse, recyclable material, or yard waste material shall be allowed to accumulate on any property or premises within the city other than in the receptacles described in § 50.02. If bulk waste is placed at the curb for removal, the occupant of such premises shall make a request for special bulk waste pick up service to the Department of Public Works no later than 24 hours after the accumulation thereof and placement on the curb. Any garbage, waste or bulk waste measuring more than two cubic yards must be removed by the occupant of the premises immediately; but In no case may any garbage, waste, or bulky waste remain on a city curb for more than 24 hours.

(B) If a resident violates this section of the municipal code, the resident will be subject to a municipal code citation; and upon a finding of liability, fined pursuant to Chapter 39 of this code of ordinances.

~~(C) Ashes shall not be collected by the city from June 1 through September 30 each year, except on special request; in such case a reasonable charge shall be made for the service.~~

~~§ 50.05 DISPOSAL BY OWNER.~~

~~—Any owner or occupant of property in the city may, if he or she so elects, dispose of the garbage, ashes or waste from the premises owned or occupied by him or her; provided, he or she does so in a manner approved by the Department of Municipal Services or by the agency of a private scavenger duly licensed to operate in the city under the appropriate ordinances of the city relating to private scavengers. In such case, the owner or occupant shall remain subject to all penalties provided herein for failure to remove such garbage, ashes or waste or for other violations of the provisions of this subchapter.~~

~~§ 50.065 BURNING COMBUSTIBLE MATERIALS.~~

~~—(A) No person shall burn any combustible waste material or materials within the city, or cause the same to be done, except in an incinerator approved by the Public Works Department.
Department of Municipal Services.~~

~~—(B) The outdoor burning of leaves shall be prohibited at all times.~~

§ 50.07 ALLOWING GARBAGE OR THE LIKE TO BLOW OR BECOME SCATTERED.

(A) No person shall cast, place, sweep or deposit anywhere within the city any substance, article or thing defined in § 50.01 of this chapter in such manner that it or any of them may be carried or deposited by the action of the sun, wind, rain or snow, into or upon any street, sidewalk, alley, sewer, parkway or other public place, or upon any private premises.

(B) No ashes, coal, lime or other substance that is in a similar manner liable to be blown by the wind shall be sifted or exposed over or in any street or public place, or in any place within the city where particles therefrom set in motion thereby will pass into any such street or public place or upon any private premises.

§ 50.08 DEPOSITS ON STREETS OR ALLEYS PROHIBITED; EXCEPTION.

(A) No person shall deposit or place in or upon any sidewalk, street, alley, parkway or public place in the city, any refuse of any kind, any furniture of any kind, or any cones/buckets/signs/other materials used by a resident to save a parking spot on a City Street during the winter months or any time of snowfall. However, this section shall not apply to the deposit of material under a permit authorized by an ordinance of the city; nor to goods, wares or merchandise deposited upon any street, sidewalk, alley or other public place temporarily in the necessary course of trade and removed therefrom within two hours after being deposited; nor to articles or things deposited in or conducted into the city sewerage system through lawful drains, in accordance with the ordinances of the city relating thereto; nor to receptacles placed lawfully on city property in accordance with this chapter.

(B) If a resident violates this section of the municipal code, the resident will be subject to a municipal code citation; and upon a finding of liability, fined pursuant to §10.99 of this code of ordinances.

~~§ 50.09 ADMINISTRATION BY CITY.~~

~~The Department of Municipal Services shall have full charge and control of the collection, removal and disposal of all garbage, ashes and waste.~~

§ 50.10 FEES AND CHARGES; EXCEPTION.

(A) Sanitation user fee.

(1) There are hereby established charges and rates to be known as the sanitation user fee for the purpose of maintaining, improving, operating and caring for the city's sanitation system and for the purpose of developing, implementing, operating and maintaining a program of ~~waste and refuse~~ refuse and recycling in the city. Such fees shall be as set forth in the city's fee and fine schedule.

(2) The sanitation user fee shall be billed as a separate charge on every single-family, two-family and three-family dwelling unit water bill. The sanitation user fee is due when water bills are rendered and no discounts whatsoever shall be allowed. Each and every bill rendered shall be plainly marked with a date after which a penalty as provided in the city's fee and fine schedule shall be added, and each bill shall be mailed or otherwise rendered to the consumer not less than ten days prior to such penalty date. If the bill is not paid on or prior to such penalty date, the penalty shall be added and, thereafter, such bill shall not be considered paid unless and until the original amount, plus the penalty is fully paid.

(3) Payments received for charges billed in accordance with this section and charges for the use of the city's water and sewer services shall first be applied to the payment of the sanitation user fee herein established.

~~(B) Bulk items disposal and collection fee.~~

~~(1) There is hereby established a monthly assessment as set forth in the city's fee and fine schedule for each residential building that receives garbage collection services provided or contracted for by the city. This assessment shall be collected and used to defray the cost of collection and disposal of bulk items of refuse. This assessment shall be assessed on the water billing statements provided to the building owner and shall be collected from and paid by the building owner as part of his or her bill for water service and other refuse collection service provided by the city.~~

~~(2) The charges set forth in division (B)(1) above shall be included on the first water billing statements issued by the city subsequent to the date of passage and approval of this division (B).~~

~~(3) This division (B) shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law. A full, true and complete copy of this division (B) shall be published in pamphlet form, by authority of the City Council as corporate authorities.~~

(C) (B) Senior rate exemption for primary residence.

(1) Qualified residents over 65 years of age may be eligible for discounted sanitation user fees if:

(a) The resident completes and submits an annual application for the reduced senior rate on forms supplied by the Water Department;

(b) The property address for which the reduced rate applies is the primary residence of the applicant; and

(c) The resident provides proof of residency and identification showing age, including but not limited, to driver's license, state identification card, property tax bill, Social Security card or other forms of proof acceptable to the City Clerk. Two or more forms of identification will be required.

(2) The senior may only submit one application per property and will only be granted the senior rate exemption for one property, regardless of if the senior owns multiple properties within the city. The rate shall apply on the following bill subsequent to approval, of the application and shall, not apply retroactively.

(3) The reduced rate shall not apply to multi-family dwellings.

(4) Any person receiving the reduced sanitation rate that does not meet the requirements set forth herein shall be deemed to have violated this section and shall be subject to fines and penalties provided for violation of local ordinances.

§ 50.11 PENALTIES

(A) Any person, firm or corporation who violates any provision of this chapter for which another penalty is not specifically provided shall, upon conviction, be subject to a fine not exceeding \$750. A separate offense shall be deemed committed upon each day during which a violation occurs or continues.

(B) Any person, firm or corporation who violates any provision of this chapter relating to Bulky Waste will be subject to a fine of \$750.

Section 4. That Chapter 39.01 ("*Fee and Fine Schedule*") of Title III ("*Administration*") is hereby amended by striking language and adding underlined language as follows:

(B) *Sanitation fees.*

Single-family	\$25.08 — <u>\$31.60</u>
Senior	\$15.36 — <u>\$19.10</u>
2-flat	\$38.50 — <u>\$54.20</u>
3-flat	\$56.06 — <u>\$79.80</u>

A contractually required increase of no more than 6% will be assessed annually based upon

the City's contract with the Garbage Disposal Services Provider. In February 2024, these sanitation fees will be reassessed by City Council.

Section 5. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any other provision of this Ordinance.

Section 6. All ordinances, resolutions, motions or orders in conflict with this Ordinances are hereby repealed to the extent of such conflict.

Section 7. This ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law.
