However, in any action to enforce this Agreement or to declare the Parties' rights hereunder, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs of litigation.

18. If any provision of this Agreement or its application is held invalid, the invalidity shall not affect other provisions or applications of the Agreement which can be given effect without the invalid provisions or applications; and to this end the provisions of this Agreement are declared and understood to be severable.

19. The parties also warrant that they have the legal authorization to enter into and sign this Agreement.

20. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.
