

Blue Island Community Clean-Up Day

Saturday, April 27, 2024

How Can You Help Keep Our City Clean?

- Participate individually or with your friends and neighbors
- Complete the registration below and return it to City Clerk's Office or submit an online registration at clerkevents@cityofblueisland.org
- Meet at York & Western to register yourself and/or your group
- Clean-up time is from 9 a.m. until 11:30 a.m. Bags and supplies will be provided
- Leave garbage bags at clean-up site for pick-up
- Gather at Memorial Park for lunch immediately following clean-up

Please bring your own grabbers.

It is important to register so the City knows where to pick-up the litter your group collects. We also need to have a head count for lunch. This event will take place rain or shine. Please wear appropriate clothing for the weather conditions of the day. QUESTIONS? Please call the Clerk's Office at 708-932-3868 or 708-597-8603.
