ORDINANCE NO. 2013-245

AN ORDINANCE ESTABLISHING A PROGRAM OF VEHICLE IMMOBILIZATION TO FACILITATE ENFORCEMENT OF STANDING, PARKING, COMPLIANCE OR AUTOMATED TRAFFIC ENFORCEMENT VIOLATIONS AND PROVIDING PENALTIES FOR THE VIOLATIONS THEREOF

WHEREAS, Section 11-208.3 of the Illinois Vehicle Code (625 ILCS 5/11-208.3) authorizes municipalities to provide by ordinance for a program of vehicle immobilization to facilitate enforcement of standing, parking, compliance and automated traffic enforcement violations.

BE IT ORDAINED by the City Council of the City of Blue Island, County of Cook and State of Illinois, as follows:

SECTION 1: SCOPE

(A) Authorized Actors. Any police officer of the City of Blue Island is hereby authorized to cause the immobilization, by placement of a restraint in such a manner as to prevent its operation, of any vehicle parked upon any public street or way, or upon any other City of Blue Island owned property, that is eligible for immobilization and that has been included on the vehicle immobilization list pursuant to this Ordinance. The Chief of Police may establish such rules and procedures consistent with the terms of this Ordinance to administer the City of Blue Island's immobilization program.

(B) Eligibility for Immobilization. A vehicle shall be considered eligible for immobilization when the registered owner of the vehicle has accumulated five (5) or more citations, all of which are more than 30 days old, and for which the fines and penalties have not been paid in full, issued against any vehicle registered to such owner charging that such vehicle was in violation of the City of Blue Island's standing, parking, compliance regulations or automated traffic enforcement. Every such vehicle shall hereafter be referred to as an eligible vehicle. Any eligible vehicle found upon any street or public place within the City of Blue Island may be immobilized in place by use of a mechanical device for such purpose. Such device may be called a "boot" and the use of the same may be called "booting."

(C) Vehicle Immobilization List. The Chief of Police or designee shall create, keep, and maintain a vehicle immobilization list. The Chief of Police or designee shall place on the vehicle immobilization list the vehicle registration number of all eligible vehicles for which the registered owner has (i) failed to respond to a notice of pending immobilization within ten days after receipt of such notice, or (ii) failed to pay all outstanding citation fines and penalties within three days after receipt of the decision following a pre-immobilization hearing to affirm the validity of a notice of pending immobilization. Any police officer may, in a manner consistent with this Ordinance, immediately immobilize any vehicle included on the vehicle immobilization list without further notice.

SECTION 2: PRE-IMMOBILIZATION NOTICE AND HEARING

(A) Notice of Pending Immobilization. The Police Department shall cause a notice of pending immobilization to be sent to the registered owner of any eligible vehicle. The notice shall be sent by First Class United States Mail, postage prepaid, to the address of the registered owner of the eligible vehicle recorded with the Illinois Secretary of State, or if the eligible vehicle bears a registration number of a state other than Illinois, then at the address of the registered owner recorded in that state's registry of motor vehicles. The notice of pending immobilization shall provide the following information:

- (1) Notice of final determination on five (5) or more violations.
- (2) The eligible vehicle's make and state registration number.
- (3) The name and address of the registered owner of the eligible vehicle.
- (4) The violation number and issue dates of the outstanding violations, and the total amount of fines and penalties assessed.
- (5) A statement that any vehicle registered to the registered owner is subject to immobilization pursuant to this Ordinance, unless the registered owner, within ten days of receipt of the pending immobilization notice, submits:
 - (a) the full fine or penalty amount due for each outstanding citation to the City of Blue Island; or
 - (b) a written request to the Chief of Police for a pre-immobilization hearing to contest the notice of pending immobilization.

(B) Pre-Immobilization Hearing Procedures.

(1) *Request for hearing.* The registered owner of an eligible vehicle may contest the validity of a notice of pending immobilization by delivering to the Chief of Police within ten days after receipt of the notice of pending immobilization a written request for a pre-immobilization hearing. If the registered owner of an eligible vehicle does not request a pre-immobilization hearing pursuant to this subsection within said ten day period, then the right to a pre-immobilization hearing shall be deemed waived.

(2) *Scheduling of hearing.* The Chief of Police or designee shall schedule a pre-immobilization hearing within ten days after receipt of the written request, and shall promptly notify the registered owner of the eligible vehicle of the scheduled hearing date and time.

(3) *Conduct of hearing.* The pre-immobilization hearing may be conducted either by the Chief of Police or designee. The registered owner of the eligible vehicle must appear in person at the hearing and, to invalidate the notice of pending immobilization, submit evidence that conclusively demonstrates that the registered owner's vehicle is not an eligible vehicle. Such evidence may include demonstration of any of the following:

- (a) The registered owner was not the owner or lessee of the subject vehicle on the date or dates that the citations were issued; or
 - (b) The fines or penalties for the citations identified in the notice of pending immobilization have been paid in full; or
 - (c) The registered owner has not accumulated five or more outstanding citations.
- (4) *Decision.* Based on the evidence presented by the registered owner, the Chief of Police or designee shall issue a written decision at the close of the hearing. The decision of the Chief of Police or designee to affirm or revoke the notice of pending immobilization shall be final and shall either:
- (a) Affirm the validity of the notice of pending immobilization and confirming that the subject vehicle is an eligible vehicle subject to immobilization pursuant to this Ordinance; or
 - (b) Revoke the notice of pending immobilization.
- (5) *Action if affirmed.* If the decision affirms the validity of the pending immobilization notice, the decision shall be accompanied by a notice that the registered owner has three days to pay, or cause to be paid, all outstanding citation fines and penalties, and that failure to do so will subject the registered owner's vehicles to immediate immobilization.
- (6) *No determination of violations.* A pre-immobilization hearing shall not be determinative of, and shall not be used or construed to adjudicate, any of the individual citations on which the notice of pending immobilization was based, or any other violation of any City of Blue Island ordinance relating to the eligible vehicle.

SECTION 3: IMMOBILIZATION AND POST-IMMOBILIZATION HEARING

(A) Immobilizing Restraint. When immobilizing an eligible vehicle pursuant to the provisions of this Ordinance, the Police Department shall use the "Denver Boot" or other similar wheel locking restraint in such a manner as to prevent operation of the vehicle. Every such vehicle so restrained shall hereafter be referred to as an immobilized vehicle.

(B) Unauthorized Activities. It shall be unlawful for any person to relocate or to tow any immobilized vehicle except in accordance with the provisions of this Ordinance. It shall also be unlawful for any person to damage an immobilizing restraint, or to remove or attempt to remove an immobilizing restraint without authorization. Any person who violates any provision of this subsection shall:

- (1) be subject to a fine of not less than \$100.00, but no more than \$250.00 for each such violation; and
- (2) pay all costs to repair or replace the immobilization restraint damaged or destroyed by such person.

(C) Notice of Immobilization. A notice of immobilization shall be immediately affixed to any eligible vehicle immobilized pursuant to this Ordinance. The notice of immobilization shall:

- (1) State that the eligible vehicle is immobilized, and that any attempt to move the immobilized vehicle may result in damage to the vehicle.
- (2) State that the unauthorized removal of or damage to the immobilizing restraint is prohibited, and punishable by a fine of not less than \$100 but no more than \$250 for each such violation.
- (3) Provide information on how the registered owner may secure release of the immobilizing restraint.
- (4) Provide information on how the registered owner may obtain a post-immobilization hearing pursuant to this Section.
- (5) State that if the registered owner fails, to secure release of the immobilizing restraint or to request a post-immobilization hearing within 24 hours, the immobilizing restraint may be released by the City of Blue Island and the eligible vehicle may be towed and impounded.

(D) Post-Immobilization Hearing Procedures.

- (1) *Request for hearing.* The registered owner of an immobilized or impounded vehicle shall have the right to contest the validity of the immobilization and any subsequent immobilization, towing, or storage fees, by delivering a written request for a post-immobilization hearing to the Chief of Police or designee within seven days after the immobilization of the vehicle. If the registered owner of an immobilized or impounded vehicle does not request a post-immobilization hearing pursuant to this subsection within said seven day period, then the right to a post-immobilization hearing shall be deemed waived.
- (2) *Scheduling of hearing.* The Chief of Police or designee shall schedule a post-immobilization hearing within three days after receipt of the written request, and shall promptly notify the registered owner of the eligible vehicle of the scheduled hearing date and time.
- (3) *Conduct of hearing.* The hearing may be conducted either by the Chief of Police or designee. At the hearing, the registered owner must appear in person and present evidence conclusively establishing that the immobilization, towing, or impoundment of the registered owner's vehicle was not authorized.
- (4) *Decision.* Based on the hearing record, the Chief of Police or designee shall issue a written decision at the close of the hearing. The decision of the Chief of Police or designee shall be final and shall either:
 - (a) affirm, in whole or in part, the validity of the immobilization, towing, or impoundment of the registered owner's vehicle; or

(b) invalidate, in whole or in part, the immobilization, towing, or impoundment of the registered owner's vehicle.

(5) *Action if invalidated.* If the decision is to invalidate the immobilization, towing, or impoundment, the Chief of Police or designee shall immediately release the immobilizing restraint if the vehicle has not yet been towed, or release the vehicle if impounded, and remove its State registration number from the vehicle immobilization list.

(6) *Action if affirmed.* If the decision is to affirm the immobilization, towing, or impoundment, the registered owner shall be so informed. If the immobilized vehicle has not yet been towed, the registered owner shall also be informed that the immobilization fee and all outstanding citation fines and penalties must be paid in full within 48 hours after receipt of the decision, and that failure to make such payment may result in the immediate towing and impoundment of any eligible vehicle owned by the registered owner.

(7) *No determination of violations.* A post-immobilization hearing shall not be determinative of, and shall not be used or construed to adjudicate, any of the individual citations on which the immobilization, towing, or impoundment was based, or any other violation of any City of Blue Island ordinance relating to the eligible vehicle.

(E) Release of Immobilizing Restraint. The registered owner of an immobilized vehicle, or other person entitled to possession of such vehicle, may secure the release of an immobilizing restraint by paying or causing to be paid to the Police Department of the City of Blue Island the following fees and penalties:

- (1) An immobilization fee of \$150; and
- (2) All citation fines and penalties issued against the immobilized vehicle or any eligible vehicle that remain outstanding, including specifically, but without limitation, the citations identified in the notice of pending immobilization.

SECTION 4: TOWING AND IMPOUNDMENT

(A) Towing and Impoundment of Immobilized Vehicle. If the registered owner of the immobilized vehicle or other authorized person does not secure the release of the immobilizing restraint or request a post-immobilization hearing within 24 hours of the immobilization, the Police Department shall be authorized to cause such vehicle to be towed and impounded. If a request for a post-immobilization hearing is received within this time, the towing and impounding of the immobilized vehicle shall be deferred pending the outcome of the post-immobilization hearing. The applicable ordinances and laws regarding impounded vehicles parked illegally shall apply fully to all immobilized vehicles impounded pursuant to this Section; provided, however, that:

- (1) In addition to the towing and storage charges imposed pursuant to Blue Island parking ordinances, the fees and penalties specified in Section 3, subsection (E) of this Ordinance shall be paid before the owner or person entitled to possession of the

impounded vehicle shall be permitted to repossess or secure the release of such vehicle;
and

(2) Notification to be provided to the owner of the impounded vehicle under this Section shall include a statement that the vehicle was impounded pursuant to the provisions of this Section, and that the registered owner has a right to appeal the immobilization, towing, and impoundment of such vehicle by requesting a post-immobilization hearing.

(B) Removal from Vehicle Immobilization List. After payment in full of all applicable fees, fines, and penalties specified in this Ordinance, the State registration number of the eligible vehicle shall be removed immediately from the vehicle immobilization list.

SECTION 5: PENALTY APPLICATION.

Except as otherwise provided in the Ordinance, any person, firm, or corporation violating any restriction set forth in this Ordinance shall be fined in the amounts set forth in the City of Blue Island Traffic Code.

SECTION 6: REPEAL OF CONFLICTING ORDINANCES

All ordinances governing the same subject matter as contained herein, or parts thereof, which are in conflict with this Ordinance are hereby repealed; specifically ordinances 07-113, 08-034, 10-089, and 2013-238 are hereby repealed.

SECTION 7: EFFECTIVE DATE.

This ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form as provided by law. A full, true and complete copy of this ordinance shall be published in pamphlet form, by authority of the City Council as corporate authorities.
