CITIZENS WISHING TO ADDRESS THE COUNCIL REGARDING THIS EVENINGS BUSINESS

Carol DiPace-Greene, 2731 Orchard St, stated that another police misconduct law suit has been filed against the BIPD. Tax payer's money will be spent on this lawsuit instead of being spent on better streets or sewers. Ms. Greene stated this is why Blue Island needs a real police chief and cameras for police officers. She also stated Blue Island is headed for more trouble because the Blue Island city attorney thinks they can make up rules that are only recognized in Blue Island. Ms. Greene expressed her concerns regarding the demolition of the Jewel property, stating that it is not known what is underneath that property. She asked the council before they vote to think about not only what is on top of the ground but what they don't see.

Willie Scott, 11917 Greenwood Ave, stated that Ms. Greene had expressed concerns that affect all of Blue Island. Mr. Scott asked the council to consider getting away from the old way of doing things and think progressively towards doing something positive for Blue Island.

Veterans Memorial Middle School participates in Positive Behavior Intervention and Support (PBIS), which identifies and rewards positive school behavior throughout the school year. This quarter, the PBIS team would like to host an outdoor block party to celebrate students who demonstrated respectful, responsible and safe behaviors.

On behalf of the students and staff, I am writing to request a city street be partially blocked off to allow for Veteran's Memorial Middle School to host an outdoor block party on June 3rd, 2015, from 8:00am to 2:30pm. The street needed to be blocked is Greenwood Avenue from 123rd street to Grunewald Avenue. This would also include blocking the alley within this block. This is the street directly in front of the school's main entrance. This would allow for students to maximize the front lawn as well as the street to enjoy a day filled with games, dancing and arts and crafts.

Thank you for your time and consideration. If you have any questions, please feel free to contact Mrs. Watson or myself by phone at 708.385.6630 or by email at awatson@district130.org or amayorga@district130.org.

Sincerely,

Amanda Watson

On Sunday, June 7th from 12noon to 3 p.m. The Blue Island Community Health Coalition, the American Heart Association, and the Active Transportation Alliance proposes Open Streets 2015 for the City of Blue Island.

Open Streets emphasizes a positive experience for residents, encouraging neighborly interaction and a *Free pedestrian playground on 1 mile of car-free activities* along Greenwood Avenue from 123rd to 127th Streets in Blue Island.

All residents and area businesses are welcome to get active by participating in yoga classes, hula-hooping, bean bags, and biking. Learn to create an urban garden, about cardiovascular health, be active with the Blue Island Library storytelling, join a drum circle or dance to DJ.

- Resident notification supported by Blue Island Code Red and Blue Island Public TV

- Day of event Health & Safety details supported by City of Blue Island: Police & Fire Departments

The Open Streets 2015 proposal, as described here, would represent the 2nd consecutive year for Open Streets in Blue Island (implemented successfully in June 2014). The June iteration would represent one of two Open Streets events proposed for the City. The second event is anticipated for the fall (October 2015), to be located in the City's 6th Ward – near and around California Gardens.
